Attn: Treasurer

Dear Team Sponsor,

Grand Terrace Youth Basketball League is a not-for-profit organization dedicated to good sportsmanship, fair-play and helping our youth learn, grow, and develop fundamental basketball skills. The Mission of Grand Terrace Youth Basketball is to provide a fun, educational and competitive community environment for Grand Terrace and surrounding cities. To this end, GTYB encourages good sportsmanship, and the promotion of friendly relationships among the players, coaches, referees and parents.

Since 2000 our organization of volunteers has been committed to helping our youth learn good sportsmanship and competitive basketball. Every season players come from surrounding communities such as Colton, Cooley Ranch, Reche Canyon, Loma Linda, Highgrove, and Riverside to play in our league.

We are grateful you are joining us in this commitment to serve our community and to help provide a fun and productive activity for our local youth. We truly appreciate your financial support, because without your help, this league would not be able to provide this service. All Donations are tax deductible and are used solely for league expenses. As a **“Team Sponsor”** you will receive a picture plaque of your team and recognition on our web site “GTYB.Org”. We also encourage you to attend some of the exciting games this season to cheer on your team.

Sincerely,

Rosie Whitehead
